

## GRS - Rower's Responsibility Waiver Relating to COVID-19

I accept responsibility and agree that

- I will not go to the boathouse if I or someone in my household (or someone I have contact with) exhibits ANY of the COVID-19 symptoms.
- I will not go to the boathouse if I have contact with someone who tests positive for COVID-19.
- I will adhere to distancing rules by standing at least 6 feet from others.
- I will wear a face covering whenever I am not in my boat or on ergs with less than 15' of distance between them.
- I will wash/use sanitizer on my hands when I come through the gate to the boathouse.
- I will bring my own hand sanitizer, boat cleaning towels, face covering, disposable gloves and any other equipment I might need.
- I understand that to disinfect properly, I must pre-clean the surface. I may use Simple Green solution or Seventh Generation cleanser to do this cleaning before I disinfect. I also understand that I must follow contact times for each disinfectant product\*. It is recommended that I wear gloves while I disinfect, and disposable gloves should be discarded after each cleaning. Reusable gloves should be dedicated to disinfecting COVID-19.
- I will clean and then disinfect all club equipment that I use while at the boathouse after use with provided products\* (or request alternative products be approved by DSC safety committee): oars, slings, boats, ergs, etc. I will follow instructions for this at the boathouse.
  - Metal surfaces: use Lysol wipes, alcohol, hydrogen peroxide, Clorox wipes or DSC bleach solution (in that order of preference)
    - Pay special attention to any touch points, especially if you are using a DSC boat and must adjust fit. These include:
      - Oarlock gate and locking nut
      - Oarlock pin and spacers
      - Foot stretcher touch points
      - Foot stretchers themselves
      - Seats
  - Fabric surfaces – e.g. foot straps on WinTech and Maas boats: use Lysol wipes or alcohol. Avoid using a bleach-based disinfectant (including Clorox wipes) unless that is all that is available.

**Assumption of the Risk and Waiver of Liability Relating to COVID-19**

COVID-19 is extremely contagious. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have prohibited the congregation of groups of people. Delta Sculling Center has put in place preventive measures to reduce the spread of COVID-19; however, DSC cannot guarantee that you will not become infected with COVID-19.

By signing this agreement, you acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that you may be exposed to or infected by COVID-19 by rowing at DSC and that such exposure or infection may result in personal injury, illness, permanent disability, and death. You understand that the risk of becoming exposed to or infected by COVID-19 at DSC may result from the actions, omissions, or negligence of others, including, but not limited to, DSC employees, volunteers, and DSC and GRS participants.

Further, by signing this agreement, you agree to hold harmless DSC, its employees, volunteers and participants. This includes all liabilities, claims, actions, damages, costs or expense of any kind arising out of or relating to COVID-19.

By signing below, you agree to comply with the above list of Rower’s Responsibilities.

\*Recommended contact times for each disinfectant product:

Bleach solution: 5 min

Lysol: 4 min

Alcohol: 10 sec

We have ordered other products. As they come in, we will carefully mark them with info re: contact time required.
